NOTICE OF PROPOSED RULE MAKING

Adopted: November 15, 1996;

Released: November 22, 1996

Comment Date: January 13, 1997

Reply Comment Date: January 28, 1997

By the Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by Vixon Valley Broadcasting ("petitioner"), proposing the allotment of Channel 261A at Forest City, Pennsylvania, as the community's first local aural transmission service. Petitioner states its intention to apply for the channel, if allotted.

2. In support of its proposal, petitioner states that Forest City is located in Susquehanna County (population 40,380)<sup>1</sup> and has a population of 1,846 persons. Petitioner asserts that the allotment of Channel 261A at Forest City would be in the public interest since it would provide the community with its first local aural transmission service. Petitioner further asserts that the allotment would provide an outlet for the community's local self-expression. Moreover, petitioner claims that the health and safety of the community would be increased due to having a local communication outlet for warning the community of emergency conditions caused by severe weather or other health hazards.

3. We believe the proposal warrants consideration since the proposed allotment of Channel 261A at Forest City, Pennsylvania, could provide the community with its first local aural transmission service. An engineering analysis has determined that Channel 261A can be allotted to Forest City in compliance with the Commission's minimum distance separation requirements with a site restriction of 10.1 kilometers (6.2 miles) northeast to avoid short-spacings to the

licensed sites of Station WODE-M, Channel 260B, Easton, Pennsylvania, and Station WDST(FM), Channel 261A, Woodstock, New York, at petitioner's requested site.<sup>2</sup> Since Forest City is located within 320 kilometers (200 miles) of the U.S.-Canadian border, concurrence of the Canadian government has been requested.

4. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before January 13, 1997, and reply comments on or before January 28, 1997, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554.
